Sub: **Popular Science Lecture on Ancient Indian Wisdom of Science & Technology**

Dear Sir/Madam

You may be aware that Regional Science City, Lucknow is functioning under the aegis of National Council of Science Museums (NCSM), which falls under the Ministry of Culture, Government of India. The main objective of the centre is popularization of science amongst the masses and development of scientific temper especially children. This is done through large nos. of exhibits displayed in the centre exhibits and by conducting many educational activities throughout the year at the centre.

As a part of our educational activities, we feel pleasure to inform you that **Dr. Om Prakash Pandey, Emeritus Scientist, ISRO and Former O.S.D (Science & Technology) of Prime Minister of India (1990)** shall deliver a Popular Science Lecture on **6th December, 2017 at 09.30 A.M.** The topic of this popular lecture will be **“Ancient Indian Wisdom of Science & Technology”**. The lecture shall be interactive in nature in which the speaker shall interact with participating students and answer the queries raised by the students on different aspects of scientific culture of India. This popular lecture shall certainly be an excellent opportunity for our budding scientists to end their thirst for information and knowledge.

In this connection, we sincerely request you to kindly send approx. 30 students of IX to XII standard with teacher of your school for enthusiastic participation in the programme. You are requested to please forward us the number of the interested students who wish to attend the lecture in the enclosed registration form.

Looking forward eagerly to your kind response in this regard.

Thanking you,

Yours faithfully,
-----Sd.-----
(Education Officer)
